RETURN AND REFUND CONDITIONS

extract from the general terms and conditions available at
<https://www.nature-spells.com/about>

The return conditions are as follows:

- the product(s) must not have been used or worn,
- the product(s), packaging, gifts and protections provided must be undamaged,
- prior contact with the Seller by email using the present withdrawal form,
- return of the product(s) within 14 days after delivery (the date indicated on the tracking being proof), packaging, protection and gifts included.

The Buyer is asked to pack properly.

Return shipping costs are the responsibility of the Buyer and must correspond to the weight of the package and its destination. It is recommended to choose a tracked shipment and communicate the tracking number to the Seller. If the contents of the package are not in their original condition, are incomplete, have been used/worn, or never reach the Seller and in the absence of tracking, any loss of value is the responsibility of the Buyer.

Refund takes place within 14 days of reception of the package by the Seller. If partial or full refund is not possible (see previous paragraph), the Seller informs the Buyer by email as soon as possible. Refunds are processed through the same payment method as the purchase.

In the particular case of orders made to measure (except for the simple adjustment to the Buyer's neck as proposed by the Seller for certain products), returns are not accepted.
